## Row by Row Experience

### *TASTE THE EXPERIENCE*

Visit any of the Participating Shops & Receive 1 Free Row Pattern!

### Cynthia's Row!

**Junior Rows...** Three row patterns for 6-14 year olds. Free pattern for juniors coming into the Needle. Juniors or adults may purchase the kits. Fun basic patterns to encourage youth to sew. You will have fun friends to sew this year: Fried Eyes, Jelly and Sweetie. Juniors can make a small quilt, as pictured, or convert into easy-success projects such as pillows or banners.

**Contest...** create a quilt using 8 different 2019 rows; 1st finished project into participating shop wins 25 Fat Quarters plus use Shop's Row for a bonus prize. Complete quilt is quilted, bound and labeled. R x R Junior designs and 9th Row may be used in the quilt, but not counted as one of the eight different 2019 rows. You choose any pattern for layout. One prize per quilter. Stitching challenge ends October 31. You and your quilt will be posted on Facebook.

**An Added Bonus...** This year the South Central Quilt Shop Hop group has decided to co-operate on Row by Row also. What that means for you--Our rows are following a secondary theme "Christmas" which will make it easier to put together a co-ordinate quilt. Participating shops include Beehive Quilt Shop--Wellington, Charlotte's Sew Natural--Newton, Field to Fabric Quilt Co.--Winfield, Hen Feathers Quilt Shop--Wichita, Kechi Quilt Impressions--Kechi, Needle in a Haystack--Severy, Picket Fence Quilt Co.--Wichita, Prairie Flower Crafts--Alden, and Stitches Quilt Shop--McPherson.
